

Notes:

1. Video label order is Composite Video / S-Video / RGB / YCbCr
2. Pins 1,3, and 5 are also connected to the DB-15 connector on the Nexeon HD. Using the both the header and the DB-15 for those pins will result in termination issues.

Title: Nexeon HD Header

Drawing Revision: 3.0

Drawing Date: 8/23/11
